100% Resident Participation Protects Rocklin's Quality of Life.

"It's a dirty job and we're proud to do it!"

– MRF Employee

"Keeping Rocklin clean is a City priority. Working with Auburn Placer Disposal Service and the Western Placer Waste Management Authority, Rocklin consistently exceeds the state's 50% mandated recycling requirement, even reaching a 65% rate. In Rocklin, waste sorting occurs at the dump; therefore all residents recycle with no extra effort at home."

– Rocklin City Manager Carlos Urrutia

Rocklin Recycling 101

- ✓ **Efficiency:** Auburn Placer Disposal Service provides weekly garbage collection services throughout the city.
- ✓ **Simplicity:** Residents fill one Toter® with all household garbage (food waste, cans, bottles, newspapers, etc.) and another with yard clippings. Professionals at the Western Placer Waste Management Material Recovery Facility (MRF) capture the recyclable materials and compost the yard debris for resale and reuse.
- ✓ **Protecting the Environment:** New state regulations prohibit disposal of hazardous items such as fluorescent tubes, consumer batteries, and mercury thermostats. These items as well as computer monitors, stereos and televisions can be disposed of at the MRF's Household Hazardous Waste Facility and at the city's quarterly universal waste collection events.
- ✓ **Spotless:** A portion of resident garbage fees go to providing street sweeping services to keep city drains and gutters debris free.

Join the effort to keep Rocklin clean through these special events and programs:

- ✓ Take advantage of Rocklin's Annual Christmas Tree Recycling Program.
- ✓ Be a part of Rocklin's Quarterly Universal Waste Collection events for disposal of televisions, computers, batteries and other items.
- ✓ Participate in Rocklin's Annual Spring Clean Up Day and show your community pride!
- ✓ Bring your hazardous waste to the Household Hazardous Waste Facility at the MRF.

Learn more about all of these programs by contacting the City of Rocklin's Public Works Department at (916) 625-5500.

Through mechanical and hand sorting at the MRF, a high rate of recycling is achieved. Cans, bottles, paper, cardboard, wood, and other materials are diverted from the landfill and recycled.
